Summarize all qualified rides in the following table. Use as many lines as necessary. Include a **Shadow Log** signed by the Judge for each competition with your license application.

Competing in all trials at a licensed working equitation competition at Novice A level or above with a combined minimum dressage and EOH score of 62% can count for 9 of the required 50 shadowed rides, 3 for each level. Submit copies of the score sheets with this application.
