## Notes on POINTS, PLACEMENT, and TIES

(see Sections 4.8.2, 4.8.3, 4.8.4 for details)

### Determining Points

- The total number of points available in a given level is based on the number of competitors entered and initially competing in that level. The point basis remains the same even if fewer riders compete in subsequent trials within that level as a result of scratches or DQs.
- Competitors earn points depending on their placement in each trial; e.g.,
  - 1<sup>st</sup> place = N + 1
  - 2<sup>nd</sup> place = N - 1
  - 3<sup>rd</sup> place = N - 2
  - 4<sup>th</sup> place = N - 3 etc.
 where N = the number of competitors entered in the level.

Place	No. of Entries									
	1	2	3	4	5	6	7	8	9	10
1	2	3	4	5	6	7	8	9	10	11
2		1	2	3	4	5	6	7	8	9
3			1	2	3	4	5	6	7	8
4				1	2	3	4	5	6	7
5					1	2	3	4	5	6
6						1	2	3	4	5
7							1	2	3	4
8								1	2	3
9									1	2
10										1

### Determining Placement – Individual Competitors

- Competitors must enter all trials to be considered for final placement.
- A rider who withdrew or DQ'd in any of the trials cannot place above a rider who successfully completed all trials.
- A rider with a DQ will place ahead of a rider who withdrew.

### Determining Placement – Teams

- Total points available are based on the total number of riders on all competing teams (e.g., 4 teams with 4 riders = 16 points).
- Team's total point score is computed by adding points for top 3 riders in each of the trials.
- Teams are ranked according to total team points.

### Handling Ties – Individual Competitors

- Competitors who are tied in a trial get the same placing and points; competitors scoring lower than the tie get placed as if there were no tie.
- Tie in Dressage: Collective marks break the tie. If marks are equal, entries remain tied and are awarded points associated with that placing.
- Tie in EOH: Rider who incurred a 0 is placed lower than a rider who did not. If both have 0's, the rider with more 0's will be placed lower. If tie remains, collective marks break the tie. If marks are equal, entries remain tied and are awarded points associated with that placing.
- Tie in Speed: Decided by lowest penalty/bonus time accrued. If these are equal, entries remain tied and are awarded points associated with that placing.
- Tie in Cattle (individual or team): Entries remain tied and are awarded the points associated with that placing.
- Tie for overall placement at a given level/division:
  - Competitor with highest average combined Dressage and EOH score will place higher.
  - If still a tie, competitor with highest EOH score will place higher.
  - If still a tie, fastest time in Speed trial will place higher.

### Handling Ties – Teams

- Team with highest average Dressage and EOH score will place higher.
- If still a tie, team with fastest combined time in Speed will place higher.
